SERVICE FIRST PROCESSING + OPTIMUS™
CONTRACTOR FINANCING MADE EASY

# SMARTER PAYMENTS, BIGGER SAVINGS FOR YOUR BUSINESS

Optimus has teamed up with Service First Processing to help contractors cut processing costs, automate the back office, and get paid faster.

## HOW IT WORKS

1. Connect with SFP through your Optimus rep.
2. Get a complimentary processing cost analysis.
3. Start saving with lower processing costs.

### Earn an Annual Rebate

Optimus customers can lower their processing costs and earn an annual rebate.

### Automation Tools

Simplify invoicing, vendor payments, and reconciliation with AP and AR automation tools.

### Get Paid Faster

Get paid faster with convenient payment options in the field, online, or in the office.

### Dedicated Support

Get dedicated support from real people who understand your business.

**Scan to request your complimentary processing cost analysis and learn how AP and AR automation can simplify your business.**
